SUB:- Issue of T.C to Pass out students - 2019-20

1. On verification of data for issue of T.C to B.Tech,MCA & M.Tech students ,it is noticed that the details of many students in automation software are incorrect . (For Example:- it is seen in the Campus Automation Software that many students are still in the S1& S2,due to non updating the details).
2. In view of above, all HODs are requested to inform instruct Group Tutors to update student's details in automaton software properly to avoid correction on or before **14th May 2019** and render completion report accordingly.

For further assistance, please contact (ITIMS).
