MESSAGE FROM CHAIRMAN

It is Indeed a privilege to address you. 17 year has passed since a silent revolution aimed at 'Progress through Education' began and we have crossed many milestones and have succeeded in making a real change in the society. At every step we had the support and motivation from the trust members. Today, Vidya International Charitable Trust is growing from strength to strength with ethical and professional practices and is recognized as a reputed name in the field of education. Throughout these years of our relentless service to the society, we have learned that the more we serve them the more opportunities open up. So we are now determined and confident to serve the society in as many ways possible with commitment.

Trust has decided to allow dedication of our infrastructure facilities by Trust members and others subject to the terms and conditions. As part of VGP 2020, we encourage all of you to participate in the future growth of Vidya by opting to dedicate the infrastructure facilities in the name of your beloved ones or your esteemed organization.
