

VIDYA INTERNATIONAL CHARITABLE TRUST

VIDYA ACADEMY OF SCIENCE & TECHNOLOGY (VAS) and VIDYA ACADEMY OF SCIENCE AND TECHNOLOGY TECHNICAL CAMPUS (VAK)

ENDOWMENT & MERITORIOUS POLICY

Endowments:

The Vidya Excellence Endowment, offering a one-time cash award of 5K, aims to recognize and encourage academic achievements among students.

An endowment contribution of Rs.1,00,000/- (Rs. One lakh) can be made in memory of beloved parents or well-wishers. The interest proceeds from the fund will be utilized annually to offer endowments to toppers in all branches of B Tech, M Tech, and MCA.

Meritorious Scholarships:

Vidya provides meritorious scholarships to students with higher grades in qualifying examinations. These scholarships serve as a means to acknowledge and reward students who have demonstrated outstanding academic achievements. By incentivizing excellence in studies, we strive to cultivate a culture of academic excellence within our institutions.

For many students and their families, the cost of higher education is a significant burden. Financial assistance based on academic achievement makes higher education accessible to a broader spectrum of students.

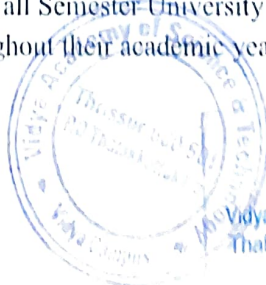

Merit scholarships attract the best and brightest students to our institution, which is vital for our academic excellence, reputation, and long-term success. These students contribute to a vibrant and dynamic learning environment that benefits the entire student community.

The merit scholarship is based on the student's performance in Physics, Chemistry, and Maths during their Plus Two education. The scholarship amount is determined by the lowest mark in the specified subjects, with different slabs for grades specified by the Trust every year. This approach ensures a fair evaluation while recognizing the overall merit of the student.

The conditions set for continuing the meritorious scholarships at Vidya Academy of Science & Technology, Thalakkottukara & Vidya Academy of Science & Technology Technical Campus, Kilimanoor, aim to ensure that students maintain a certain level of academic performance and adhere to disciplinary and ethical standards.

These conditions include:

1. Maintaining a minimum of 60% marks in all Semester University Exams. It emphasises the importance of academic excellence throughout their academic years.

2. Upholding disciplinary conduct. Students are expected to maintain good conduct and follow the rules and regulations of the institution.
3. Non-involvement in disreputable activities. Students are expected not to engage in activities that could tarnish the college or Trust's reputation.

By setting these conditions, the institution aims to create an environment where academic excellence and good conduct go hand in hand, ensuring that scholarship recipients contribute positively to the academic community.
