**ABOUT THE COLLEGE**

Vidya Academy of Science & Technology (VAST) is a state-of-the-art engineering college conforming to International standards. This model engineering college is approved by AICTE vide approval NO. /06/ KER/ENGG/2002/91 dated 12/05/03 and affiliated to APJ Abdul Kalam Technological University and the University of Calicut. In a few years VAST has evolved and achieved recognition as a notable School of Engineering with its competent and committed faculty, high quality infrastructure and high technology teaching aids, and by providing a serene atmosphere that complements academic life. VAST has a holistic approach to education where academic training goes hand in hand with programmes that develop the body, mind and soul to prepare its graduates to be future leaders.

**ABOUT THE GUESTS**

Vidhubala is a former Malayalam film actress who started her career in the mid-1970s and retired when she was at the peak of her career. Vidhubala acted in over 100 Malayalam films. She acted opposite many of the leading actors of her time, including Prem Nazir, Madhu, Vincent, Mohan, Jayan, Soman, and Kamal Haasan. Currently Vidhubala hosts a well accepted family reality show "Kadhayallithu Jeevitham" in Amrita TV. In 2017 she won the Kerala State Television awards for the best anchor for "Kadhayallithu Jeevitham". Sravana, is a new face to the Malayalam film industry. She made her debut as Kunchacko Boban's heroine in "Thattumpurath Achuthan" directed by Lal Jose. She is the daughter of director Babu Narayanan.

**ABOUT WOMEN'S CONCLAVE**

It is the freedom to choose from diverse options that empowers a person. Empowerment is not doing anything extraordinary. This concept paved the way for a Women's conclave organized by Sargaa, the women's club of Vidya and SAP (Science Awareness Programme).

A woman becomes empowered when she has the opportunity to take up her rights and to enjoy the freedom to pursue her dreams and aspirations. The women's conclave is a platform with distinguished invitees where one can open up one's concerns and try to seek clarifications to them. Such a discussion will create ripples and influence, motivate and drive transformation among the women community

**ABOUT SARGAA & SAP**

Sargaa, the women's club of Vidya was started to develop the potential of women within the campus. It has successfully conducted various programmes within the campus. As a part of the social initiative, Sargaa has made its reach outside the campus through the first ever women conclave organized in Thirissur.

SAP is a science awareness programme which is being implemented at high school level (secondary education), with the objective of improving the scientific awareness of students, who have the right aptitude and empowering them to grab opportunities and channelising them in correct path of higher

**WHO SHOULD ATTEND**

All girls of Higher secondary schools, Polytechnic and Other Colleges.

**REGISTRATION**

Participants have to register in advance for the conclave. Participants can register through their respective school / polytechnic college authorities or through the contact persons given in the brochure. The last date of registration is Thursday, 17th January 2019.

**\*There is no registration fee for the programme.\***

On 19<sup>th</sup> January 2019
