Activities under MOU(VIDYA-STEM ROBOTICS ACADEMY)

Vidya signed an MoU with Stem Robotics Academy, Thrissur, for conducting an add-on course on “Robotics” under the Centre for Continuing Education in Vidya. The signing ceremony was held in the Principal’s cabin on 18 April 2022. The course is targeted at the students of the S4 B Tech ECE classes and includes 30 hours.

Students attending the on-line course.

Activities under MOU(VIDYA- BIMIT CAD AND BIM TRAINING. SERVICES)

ME Dept organizes one-day FDP on Autodesk Fusion 360

The ME Dept of the College, in collaboration with the Autodesk Authorised Training center, BIMIT Kaloor, organised an internal Faculty Development Programme on Autodesk Fusion 360 for the faculty members of Vidya on 20 of April 2022 at the CAD/ CAM Lab. Mr Viju

Antony P, Autodesk Authorized Trainer and Executive Director of BIMIT, served as the resource person for the FDP. Mr Vibin Antony P (AP, ME Dept and Coordinator of the FDP) welcomed the participants and gave a brief introduction to the programme. The programme was inaugurated by Dr N Ramachandran (Prof and Head, ME Dept), and as many as 14 faculty members from the Depts of CE, EEE and ME participated in the programme.

Fusion 360

Fusion 360, a cutting-edge 3D design software for the manufacturing industry, is a cloud-based 3D CAD, CAM, and CAE platform for product development. It combines industrial and mechanical design, simulation, collaboration, and machining into a single package. The tools in Fusion 360 enable fast and easy exploration of design ideas with an integrated concept to production toolset.

The FDP was aimed at strengthening and expanding the faculty members' expertise in the Autodesk software so that they could provide meaningful support to their students. The session covered the various modules of software with hands-on training which enabled participants to create 3D models of parts and assemble them in Autodesk Fusion 360. Autodesk also provided Autodesk Course Certificate to the successful candidates.

Faculty members of Vidya Academy of Science and Technology attending the FDP.

ME Department conducts value-added course on Fusion 360

The current thinking among the administrative and academic leaders of Vidya is that every student joining Vidya should be encouraged to do as many value-added courses as possible. Every student must do at least one course every year. This is motivated by the fact that the curricula prescribed by the University is many a time insufficient to ensure that students get the requisite training for achieving success in the employment market. The recently constituted, but not yet formally inaugurated, Centre for Continuing Education (CCE) in Vidya is the agency that coordinates the conduct of value added courses.

The ME Dept, jointly with the CCE of the College, organised a value added course on Fusion 360, which is one of the latest advanced 3D Design software for the manufacturing industry, during 22 September 2022. The course was hugely popular among the students with as many as 89 students in the S5 – S7 B-Tech (ME) batches choosing to enroll for the course. The collaborating partners were BIMIT CAD and BIM Training services, Kochi.

A well experienced team from BIMIT CAD and BIM Training Services, under the leadership of Mr Viju Antony, covered the various aspects of this software training with well-prepared study materials. They were able to create an enthusiasm and interest among the students and also helped them to complete the second level of Urban Drone Design competition, which is an international Design Contest organized by Autodesk.

Activities under MOU(VIDYA-INFUSORY FUTURE TECH)

Vidya signs MoUs for add-on courses under CCE

In order to equip students with the skills required for developing a successful career in a fast changing world, it is imperative that they should be taught skill sets in addition to those provided in the rigid curriculum. With this in mind, Vidya has been meticulously planning and conducting a set of add on courses for all students for the last several years. The courses are discipline specific and are graded based on the academic progress of students. Recently

Vidya signed several MoUs with leading training institutes to arrange add-on courses to students in the S4 B Tech batches.

Infusory Future Tech Labs

Vidya signed an MoU with Infusory Future Tech Labs, Kottayam, for conducting an add-on course on “IOT Master Basics” under the auspices of the Centre for Continuing Education (CCE) in Vidya. The signing ceremony was held in the Principal’s cabin on 18 April 2022. The course includes 30 hours of classes and is targeted at the students of the S4 B Tech EEE classes.

Stem Robotics Academy

Vidya signed an MoU with Stem Robotics Academy, Thrissur, for conducting an add-on course on “Robotics” under the Centre for Continuing Education in Vidya. The signing ceremony was held in the Principal’s cabin on 18 April 2022. The course is targeted at the students of the S4 B Tech ECE classes and includes 30 hours.

Core Institute of Technology

Vidya signed an MoU with Core Institute of Technology, Attingal , on 19 April 2022 in Principal’s office to conduct an add- on course in “Interior Designing Basics” for students of S4 B Tech (CE) batches. The course is conducted under the auspices of the Centre for Continuing Education in Vidya. The course includes 30 hours of classes.

Dear Sir/Madam,

Sub: Proposal for Add-on courses

As per the discussions with you, we are submitting details of the program. Please go through the following pages for the details of the program. The rate of the program for each student is as follows

- IoT Master: Rs 2000/-

If you have any suggestions or specific requirements about the syllabus, kindly let us know.

Sincerely yours,

Shyam Pradeep

Academic

In-charge

IoT Master (Duration: 30hrs)

Module 1: Introduction to Raspberry Pi

Getting started, Installing Noobs, GUI, Embedded Linux, Introduction to Terminal, using the command line, SSH, Configuring VNC

Module 2: Introduction to Python Coding

Basic commands, GPIO Planning, controlling devices using Raspberry Pi, Serial communication with Arduino.

Module 3: IoT

What is IoT and its application, Node MCU, Programming Node MCU using Arduino IDE, Sending Data to Arduino, Creating the web interface

Module 4: MIT app inventor

- MIT app inventor

Introduction, creating the basic interface, connecting blocks.

- Projects

Prerequisites for the add-on course

- There should be at least 40 students per class
- Students should bring their laptops or else access to the computer lab should be provided
- Permission should be provided to students to bring mobile phones for app development during class hours
- We will be scheduling the course timetable by discussing with the respective college authorities

To,
**The Head of Department,
Dept. of Civil Engineering,
Vidya Engineering College
Thrissur**

Date:08/02/2022

Ref: BC02VEC/02/22

Subject: Proposal for Conducting Interior Designing Basics-30Hrs.

Sir,

As per discussion, we are happy to provide 30hours interior design basics courses for your civil engineering students. Here we are attaching course syllabus, fee structure and basic requirements to conduct course;

Course Syllabus

- Total Duration :30Hrs

Course Fee Structure

Course Name: - Basics of Interior Design

- Minimum 100 students: - 1000 INR/Individual (GST Extra)

Note: - Per Session Minimum 50 students attendance required to conduct class.

Requirement

Computer Lab

- System Configuration i3,64bit,4GBRAM,250GB HDD, Windows7 or later with Internet connectivity
- Lab 50 Computers with uninterrupted power supply
- 51 Occupants Chair
- Power Backup min 4Hrs
- LCD Projector.

Course Registration

- Latest Passport Size Photo-01
- SSLC Certificate Copy Self Attested & Bonafide Certificate/Valid College ID Card

Guaranteed Commitments

- Guaranteed Course Duration 30Hrs
- **Workbook**
- Student Version Software
- Autodesk Professional Exam Qualified Trainer
- Project, Preparatory Exam and Main Exam
- **Autodesk Course Completion Certificate at no Extra Cost**
- Can upgrade to higher version of designing courses
- For all students 50% assured scholarship for industrial courses from the date of MOU.

Payment

- First 50% of payment on the day of class commencement.
- Another 50% payment before certification.
- Full payment required to get exam voucher of Autodesk/CTDS.

Yours Faithfully;

VALUE ADDED COURSE ON AutoCAD 2D in interior designing

CO 1 :Students will be able to gain a solid understanding of AutoCAD software and develop Technical Drawing Skills:

CO 2 :Students will be able to develop their ability to visualize and represent three-dimensional spaces and objects accurately with Design Documentation

CO 3 :Students will develop problem-solving skills by applying AutoCAD tools and techniques to solve design challenges and address technical issues.

CO 4 :Students will learn how to effectively present their design ideas and concepts using AutoCAD-generated drawings and visualizations.

CO 5 :Students may gain an understanding of professional ethics and standards related to the use of AutoCAD in the interior design profession.

VAST-CED/CCE/1/21-22

02.02.2022

NOTICE

The add on course titled as VALUE ADDED COURSE ON AutoCAD 2D in interior designing. being offered to 2020 admission B.Tech students will commence from 11.5.2022 .All students are directed to attend the sessions ,bring personal laptops for the installation of the software.

HoD,CE

ADD ON COURSE FEEDBACK FORM

Name of the Student:

Department:

Semester & Class:

Title of the Add on Course:

We are interested in your feedback of the training provided and would like to ask you to complete the form. For each statement, please check if you agree or disagree using a rating scale from “1” to “5”.

A rating of “1” indicates Poor, “2” indicates Satisfactory, “3” indicates Good, “4” indicates Very Good and “5” indicates Excellent.

Questions	Rating				
	5	4	3	2	1
Did you get the understanding of AutoCAD software and develop your Technical Drawing Skills:					
Will you be able to develop the ability to visualize and represent three-dimensional spaces and objects accurately with Design Documentation					
Will you be able to develop problem-solving skills by applying AutoCAD tools and techniques to solve design challenges and address technical issues					
Will you be able to present their design ideas and concepts using AutoCAD-generated drawings and visualizations					
Did you get the understanding of professional ethics and standards related to the use of AutoCAD in the interior design profession.

CSE Dept organises invited talk by distinguished alumnus

Vidya Academy Of Science and Technology
& Dept. of Computer Science and Engineering

**Invited Talk
from
Distinguished Alumni**

Midhun P G
Technical Lead in Oracle

Meet **Tuesday, 25th August, 3PM to 4PM**
Our Vidya, Our Pride

The CSE Dept organised an invited talk by a distinguished alumni for the first year students on 25 August 2020. Mr Midhun P G, alumnus of the B Tech CSE (2007 -2011) batch and currently working as Technical Lead , Oracle interacted with the students. More than 80 students participated and gave very good feedback . Mr Amal Ganesh (Group Tutor of first year CSE students) welcomed the guest and audience and Gayathri Satheshkumar (S3 B Tech CSE A) proposed the vote of thanks.

Dear Sir/Madam,

The ICT Academy of Kerala is organising, **ICSET 2020 : International Conclave (ICSET -2020) on 7th & 8th February 2020 @ Government Engineering College, Thrissur.**

ICT Academy of Kerala's International Conclave on Skills, Engineering & Technology- (ICSET) is aimed at bringing closer the Academia, Industry, Government and connected stakeholders at large, to discuss, deliberate and exchange ideas about Skills, Engineering & Technology areas. ICSET 2020 encompasses various technical discussions, group deliberations on the theme: **"IR 4.0 in Action"**

As a special gesture, The board of ICT Academy of Kerala has decided to provide an opportunity to 15 students each from Network/ associated colleges to attend the sessions on Feb 7 & 8 @ GEC Thrissur. **15 students and 2 Faculty from our college can attend the 2 Day sessions free of cost.** Please note that the session includes Top 10 industrial interaction event, technical sessions by Sales force, UI Path and Oracle.

- Colleges need to share the list of students/ Faculties from their respective colleges **on or before 20th Jan 2020** in the attached format.
- Participants need to reach the venue by 9am.
- ICT Academy will take care of the lunch and refreshments of the participants attending the conclave.
- Participants need to bring their own laptops for the hands on sessions.
- Participation Certificates will be provided to participants, attending the whole day session.

Note: GT's are requested to nominate the students in the sheet given below. The preference will be given based on a first come basis.

Please click on the link below to give the nomination

Dear Sir/Madam,
Kindly share the internship details to your students.

Greetings from ICT Academy of Kerala...!!

We are delighted to inform you that ICT Academy of Kerala is planning to organize a 10 days Virtual

Date: 10th Aug to 19th Aug 2020.

Artificial Intelligence (AI) and Machine Learning (ML) are two very hot buzzwords right now, and often seem to be used interchangeably. Artificial Intelligence is the broader concept of machines being able to carry out tasks in a way that we would consider "Smart" machines to learn and provide intelligent insights through a sophisticated use of learning algorithms which is referred to as Machine Learning. To provide business value, the machine is trained to learn patterns from data then can proceed autonomously on new and changing data. Hence, Machine Learning and Artificial intelligence jobs are high in demand and continue to be the winners in today's world.

ICTAK Virtual Internship introduces several fundamental concepts and methods for Machine Learning and Artificial Intelligence. The objective is to familiarize the participants with some basic learning algorithms & techniques and their applications by which they can gain a practical insight about the work.

For More details & Registration please visit : <https://ictkerala.org/internship-mlai/>

The requirement for the Virtual internship

- Attendees must have a computer system with an internet connection
- Computer system configuration window 7/8/10 / Mac, 64-bit processor, Minimum 4GB/ 8GB RAM

Who can attend?

This 10 days Virtual internship is best suitable for Students belongs to B.Tech / M.Tech, MCA and B.Sc (CS).

Registration fee: Rs.1900/-per participant

Early Bird offer Rs. 1490 /- per participant (registration on or before 5th Aug '20)

Note: We have limited seats available for the batch. Register Soon.

Please feel free to write to us for any clarification / support.

Dear Sir / Ma'am,

Greetings from ICT Academy of Kerala!

ICT Academy of Kerala in association with Oracle Academy is organizing a 5-Day Virtual Faculty Development Programme on '**JAVA PROGRAMMING**'. The training program is scheduled from **4th May 2020 to 8th May 2020**.

Considering the college and faculty convenience we organizing the FDP through online. The registration for the FDP is open now.

Detailed program agenda is attached for your perusal.

Requesting to nominate your faculties (2 - 4 faculties) for the FDP on or before 31st March 2020. It will help us to coordinate with the faculties to complete the registration process.

Please use the google form to nominate the faculties (Nomination link) : <https://forms.gle/SWNWsFXq5MINWDPa88>

How to Register for the FDP

Faculty with Oracle membership can enroll for the training by logging onto <https://academy.oracle.com/en/oa-web-overview.html> (Please refer the attached FDP Training process for guidance).

process.

Who is eligible to apply?

Ø The registration is open for computer science faculty from Oracle Academy Member colleges across Kerala.

Ø Minimum Two and Maximum of Four faculty members can be nominated by each college.

Fee and certificate of participation

It is absolutely free for all ICTAK / Oracle Academy member college faculties and no course fee will be collected from participants.

Certificate of participation will be given by Oracle Academy to those who attend on all five days and complete the training.

Limited seats are available; registration will be on a first come-first serve basis. Please feel free to contact me for any assistance / support

Best Regards,

Vidya Academy of Science and Technology

Thalakkottukara P.O, Thrissur - 680501

VAST/T&P/20/80

07-Sep-2020

Notice

Subject: Hands-on skill training in Python, Data Structures, Algorithms, & Database

As part of the Infosys Campus Connect program, a module named "Foundation Program" is available freely for all students to learn and enhance their skills in Python programming along with object oriented programming, data structures, algorithms, and fundamentals about databases. However, since it is felt that several students need a fair amount of hand-holding to ingrain the essential concepts and skills, a course is being offered by the Center for Continuing Education (CCE) at VAST and the placement cell.

The course is structured into two parts: (a) Course 1 - basic hands-on Python programming. For those who successfully complete this essential first part can avail the second part of the course covering the module (b) Course 2 - object oriented programming, data structures, algorithms, and databases. For the time and effort being put in by the resource persons a small fee would be charged to the students at the rate of Rs.250/- per head for the first part, and Rs.500/- per head for the second part. Certificates would be provided by the CCE to the successful candidates.

However, students can also avail the Infosys Certification which is a technical examination for learners on InfyTQ (*the Infosys learning and engagement platform*). The certification examination will be based on the above mentioned four modules. You can check this out on your own.

Infy TQ Certification is a unique opportunity for students to move their careers forward, with Infosys. Students scoring 65 percent and above in the certification examination will gain three key benefits:

1. Infosys Certification as an endorsement of their industry-readiness
2. An on-the-spot job interview opportunity for entry-level technical roles at Infosys.
3. Each Infosys Certified student will be given an opportunity to appear for niche roles which offer differential compensations.

Eligibility: Students from all streams of B. Tech graduating in 2022 can register who have a minimum of 60% marks and no current backlogs or genuinely interested students willing to attend all classes, and submit their assignments.

Learning Assistance:

- Arrangements will be made for learning assistance sessions for the Foundation Program which will be a paid one.
- The fees will be Rs. 250/ per student for the Course 1 (first part)
- Course 1 - "Programming fundamentals using Python"
- Only those students who clear the "Course 1" qualifying test conducted at Vidya and certified by the college will be eligible for "Course 2" i.e. the advanced concepts.
- The Course 2 covers viz. (1) Object Oriented Programming using Python, (2) Data Structures and Algorithms using Python, (3) Learning DBMS and SQL.
- Fees for the "Course 2" would be - Rs. 500 / per student.

Vidya Academy of Science and Technology

Thalakkottukara P.O, Thrissur - 680501

- Certification Exam by the college for the students who join the Advanced Level.
- Online classes on Saturdays and Sundays via Google Meet / Moodle.
- Learning tools : Google Collab for Python 3, ECLIPSE, MySQL etc.
- Duration each day : 2 hrs. (max 3 hrs based on student interactions)
- Prerequisites : Computer (any OS), good internet access, browser.
- Start date : Shall be informed
- End date : In about 4 months from start
- Kindly note that to effectively complete the course you would need to put in a minimum of 60 to 70 hours effort.
- Additionally, students who clear the Advanced Level program can register for the Infy TQ Examination / Certification which will be based on the guidelines issued by Infosys and get a chance to be placed with Infosys.

Registration: Students who wish to join the paid leaning assistance session are requested to register in the link below by **Friday, September 11, 2020.**

<https://forms.gle/ntS8QLEJqDF4Badx6>

Note: By registering at the link you are providing your consent to raise an invoice in the ERP system for Rs.250/- as fee for the first part of the course - Python programming.

<<Bcc intentional>>

Dear Professor,

Greetings from Infosys. Hope you are doing well.

We are planning to organize a webinar series during next week on the below mentioned topics **through WebEx**.

1. Business English
2. Basics of Business Communication
3. Speak up
4. Email Writing skills

Date: 1st December – 4th December 2020

Time: 2:30 PM to 4.30 PM

Platform: WebEx (Link will be shared with you upon confirmation)

Target Audience: Students from **2022 pass-out batch** of any branch who are eligible for Infosys Certification.

We request you to identify a **maximum of 10 students per college** who are interested to take up Infosys Certification during 2021 (whenever the certification date is announced) and share their details with us in the attached template.

Kindly send your nominations in the attached template **latest by 29th November 2020**. We will send the confirmation mail along with the WebEx link by 30th November 2020. Please feel free to get back for any clarification.

Trust you would do the needful.

Thanks,

Hari S.

To:

CAMPUS CONNECT 2.0
Principals' Meet | 15 December, 2021

Dear Professor,

Warm Greetings from Campus Connect Team!

Digital Literacy is essential for every individual. Infosys has always benefitted from the association with educational institutions such as yours and the corporate experience helps us anticipate the needs of the industry.

Launching Campus Connect 2.0

We are pleased to launch **Campus Connect 2.0** for our partnering colleges across the country. The offerings are now powered by Infosys Springboard, our online digital platform for learning.

We invite you to participate in the Principals' Meet on 15th December 2021 from 10:00 AM - 1:30 PM and join the discussion to strengthen our Industry - Academia partnership.

The tentative agenda for the Principals' Meet is as follows:

- Infosys Digital literacy mission
- Campus Connect 2.0 framework and partnership model
 - Internship
 - Microcredit Courses
 - Industry ready new age roles
 - Masterclasses

- Research Collaboration Opportunities
- Partnership scorecard model
- Interaction with eminent speakers
- Rewards and Recognition
- Strengthening Industry academia partnership – A Discussion

The Principals' Meet details are given below:

Event Date	Wednesday, 15 th December 2021
Time	10:00 AM to 1:30 PM
Venue	Virtual event

Nomination for the event

The success of this event depends on your valuable presence, and hence we would urge you to attend the same along with your Head of Institute (Principal, Chairman, Director), Head of department(max 3 nominations from an institution).

Nomination Link <https://exp.infosysmeridian.com/register/PMMeet2021>

Nomination/Event Discussion deadline: Tuesday, 30th November 2021

Rewards and recognition

We would like to thank you for your support towards onboarding your students to the platform, leveraging the content and the opportunities offered by Infosys. We are also celebrating educational institutions who have used Infosys Springboard to their advantage through our rewards and recognition awards for the following categories:

Best Ambassadors

Institutions that have onboarded all their students onto Infosys Springboard

Excellence

Institutions that have led in terms of learning time on Infosys Springboard

Collaboration

SPOC's of colleges who have collaborated with Campus Connect

Digital Leaders

Institutions who have created and used microsities effectively

Learning Trailblazers

Institutions wherein students complete numerous courses

Star Achievers

Colleges that complete maximum no. of certifications

Your institution could stand a chance to win these awards. Please onboard all your students, encourage them to learn and complete the courses & certifications available on the platform. Also create your own microsities and use them in your teaching-learning process.

Testimonials

If you wish to share a testimonial video or message with us to publish during the event, please share it with us through an email to Springboard-support@infosys.com with the subject line "Principals' Meet – 2021: Testimonials"

For any queries or clarification(s), please write to Springboard-support@infosys.com with the subject line "Principals' Meet – 2021: Queries"

We look forward to your active participation.

Regards,

Team Campus Connect

Dear Professor,

Greeting from Infosys.

At the onset we wish you are keeping safe and doing good in this pandemic.

We would like to thank you for registering your students in Headstart and hope they have started learning on the platform. We have planned a series of events on Infosys Headstart for faculty members and students from Campus Connect colleges. We wish to connect with you on Thursday, 27th May to discuss on our upcoming plans and action items.

Agenda:

1. Train the trainer program on Java Programming Language
2. Student webinar series on New horizons of IT
3. Student learning on Infosys HeadStart portal
4. Q&A

Ottotractions gives training on energy audit to BPCL internees from EEE Dept

AN INDUSTRY INSTITUTE INTERACTION SESSION ON
ENERGY AUDIT PROCESS WITH OTTOTRACTIONS

Date: 16th July 2021
Time: 11.30 AM to 1.00 PM

Google Meet

Resource Person:
Er. Suresh Babu B V,
Accredited Energy Auditor (AEA 33)
M/s. OTTOTRACTIONS

Department of Electrical & Electronics Engineering
Vidya Academy of Science & Technology

www.vidyaacademy.ac.in

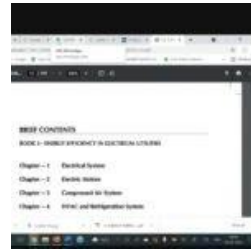

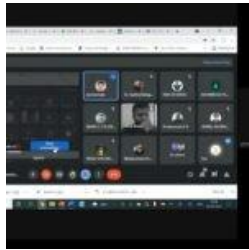

The EEE Dept of Vidya conducted an Industry Institute Interaction Session on “Energy Audit Process with Ottotractions” on 16 July 2021. The session was handled by Er Suresh Babu B V, accredited Energy Auditor (AEA 33). The programme was mainly intended as an induction program for the students who had enrolled for internship in BPCL. It also benefited other students as well as faculty members. Er Suresh Babu also gave some guidance on the basic professional ethics and code of conduct expected from students as freshers in an organisation.

As many as six students of the 2021 pass out batch of the EEE Dept have got an opportunity to work as interns for a period of three weeks in BPCL, Ambalamukal, Eranakulam. The students are:

- Ashwin K S
- Ajay Dev
- Ambareesh V R
- Jewel George
- Sebin C J
- Vinay Vincent

Vidya Talent Center and Adaptech Machines & Solutions sign MoU

Vidya Talent Center (VTC) and Adaptech Machines & Solutions Pvt Ltd. signed a Memorandum of Understanding (MoU) on 9 July 2021.

Adaptech Machines & Solutions is a private company incorporated on October 2013. It is classified as non-Government company and is registered at Registrar of Companies, Bangalore. It is involved in the design and manufacture of customized machinery and special purpose machine components.

This collaboration between VTC and Adaptech would help Vidya to bridge the industry-institution gap and equip the students with the latest trends in the machine manufacturing industry through projects and internships.

BOSCH
Invented for life

Need for add-on courses:

Add-on courses in technical field are unique schemes to add on skills, to increase the employability & to impart entrepreneurship capabilities to Professionals. Such courses are also intended to enhance the competency level of students for better employability, there by bridging the gap between the industry and academia.

ABOUT BOSCH-VIDYA JCP

With the context of an add-on course in mind, we are happy to present an all-new program which provides hands-on training on auto-motive technology with focus on automotive electrical system and vehicle diagnostics using the state -of-art equipments provided by the Bosch Limited. The training course offer in-depth knowledge of the evolving technologies and at the same time provides hands-on experience with the latest equipments by Bosch Limited.

COURSE OBJECTIVES

- Prepare students for industry oriented learning through Bosch automotive training programs with assessment
- Knowledge sharing on Bosch advanced automotive systems
- Guest Lectures, Seminars from Bosch professional trainers/experts
- Advanced and Expert training on Automotive for students in Bosch Training centers
- Motivate students to work on real time projects with industry
- Training on real time systems of automotive which help students to meet the auto industry expectations

OUTCOME/ DELIVERABLES:

- Skill development of students as a part of their academic will help to fulfill the current industrial need
- Helps to bridge the gap between Industry and Institution on expected skill level

About College:

Vidya Academy of Science and Technology (VAST) was established in August 2003 with the aim of providing outcome based education to students of engineering and technology. An experiential mission statement aligned to a futuristic vision holds the entire institution and the stakeholders together in the continuous pursuit of excellence.

About Bosch:

Bosch has been present in India for more than 80 years - first through a representative office in Calcutta since 1922, and from 1951 through its subsidiary Bosch Limited. Today, the Bosch Group in India has grown to include 6 group companies of which Bosch Limited is the flagship business entity. Robert Bosch GmbH holds major percent stake in Bosch Limited. Headquartered out of Bangalore, Bosch Limited has its manufacturing facilities in Bangalore, Nashik, Naganathapura, Jaipur and Goa. These Plants are TS 16949 and ISO 14004 certified. With a presence across automotive technology, industrial technology and consumer goods and building technology, the company has a headcount of over 27,000 associates.

EXPECTED IMPACT:

- Fulfillment of skill development to the students required in auto industry
- Helps to increase the job opportunities
- Increase the competitiveness among students to bring new development projects in automotive industry

TARGET BENEFICIARIES:

- Students from Automobile, Mechanical and Electrical and Electronics Engineering
- Engineering Students from other Institution for service technician training
- Entrepreneurship training for the students wants to become entrepreneur in Auto service industry

TRAINING PROGRAM MODULES

Bosch Vehicle Diagnosis Kit for Technical Education Institutions

Bosch has designed a special training module on Vehicle Diagnosis for the technical students to understand the complexity of modern vehicles and its systems. These training modules will help the student to get the hands on experience on the vehicle system diagnosis and trouble shooting.

Course Code	Type of Course	Course Title	Duration (Days)	Training Fee (INR)/Participant
BCS - 1	Basic	Training on Vehicle Diagnosis	2 Day	Rs. 3000 + 18% GST
ACS	Basic	Training of Air-conditioning Service	1 Day	

Training is scheduled on **20th to 22nd October 2021**

Venue: BOSCH Laboratory, Mechanical Department
Vidya Academy of Science & Technology, Thrissur

REPORT ON BOSCH-VIDYA JCP TWELTH BATCH ROLLOUT

BOSCH VIDYA JCP twelfth batch training was held between 20-10-2021 to 22-10-2021 (3 Days). Twenty-three students participated in the Internship.

The session started with a silent prayer. BOSCH JCP convener Mr. Vishnu Shaji, AP ME, welcomed the participants and speakers. The three-day training program was fully engaged by Bosch Local Trainer Mr. Benzy Lal. The session was scheduled for three days and the modules covered in the session were

1. BCS 1 -Vehicle diagnostics
2. ACS - Vehicle Air Conditioning Systems

Day 1 and 2 training program was on Vehicle diagnostics, the morning session was fully concentrated to basics and theory of vehicle systems and afternoon session was engaged with practical classes

Day 3 training programme was on Vehicle Air Conditioning Systems and Functions, morning session was fully concentrated to basics and theory of vehicle air conditioning and afternoon session followed by practical classes

All sessions were divided into two halves, in the morning session the theory was carried out and followed by a hands-on training in the afternoon. The handouts and presentation materials were distributed to all the participants.

All three days stood highly interactive and practical oriented. Tests were conducted on the last day related to training modules.

The training came to an end by 3.30 PM, Thursday (24-09-2021) followed by a valedictory function. The evaluation form was circulated and taken the feedback. Some students shared their internship experience and the feedback was excellent. Mr. Vishnu Shaji (AP, ME), Convener, BOSCH JCP, delivered the vote of thanks.
