AN ISO 9001:2008
CERTIFIED INSTITUTION

ADMISSION BROCHURE 2016 - 17

Vidya Academy of Science & Technology (VAS)

(Approved by AICTE and affiliated to APJ Abdul Kalam Technological University and Calicut University)

A unit of Vidya International Charitable Trust

Thrissur – 680 501, Kerala, India

Welcome to

Vidya Academy of Science And Technology (VAS)

Vidya Academy of Science & Technology (VAS), a premier ISO certified institution established in 2003 is approved by AICTE and affiliated to both APJ Abdul Kalam Technological University and University of Calicut.

We offer B.Tech., M.Tech. and MCA courses of which B.Tech. Civil Engineering, Electrical & Electronics Engineering and Mechanical Engineering are NBA accredited.

Judged by the infrastructure, facilities and results of university examinations, VAS ranks among the top 3 self-financing Engineering colleges in the state.

We focus on moulding engineers who can take on global competition with strong ethical values.

"VAS believes that every engineer must be capable of being a 'producer' and hence imparts to her students the confidence to realize any engineer's aspiration for a 'product' while traversing through the design, build, test and research route.

Come, join us to make things happen and be a real engineer!"

Dr. Sudha Balagopalan
M.Tech., Ph.D.
Principal

- Ph.D (Power Systems) NIT, Calicut
- M.Tech. (Hons) (Power Systems) Government Engineering College, Thrissur
- B.Sc. (Engg) (Hons) (Electrical Engineering) NIT, Calicut

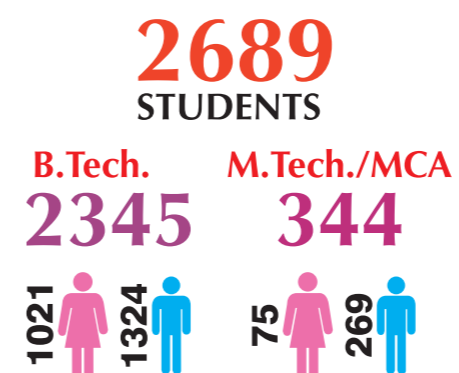

→✦ Our Vision

Progress through Education

→✦ Our Mission

To seek, strive for and scale greater heights of quality education

→✦ VAS Faculty & Students

174
FACULTY

Ranking

- VAS has secured 30 university ranks during the last decade
- Calicut University has awarded Certificate of Excellence to 14% of B.Tech. students of 2014 batch.
- Our MCA students are university toppers for the last 4 consecutive years

ISTE Awards

- Indian Society for Technical Education (ISTE) has recognized VAS as the Best Chapter of ISTE Kerala Section on the basis of activities carried out during the year 2015.

Univeristy Championship in Sports

- VAS Students have represented Calicut University Fencing (M & W), Judo (M), Tennis (W) and Handball (M) team in the All India Inter University Championships.

Accreditation

- Our B.Tech. courses in Civil, Electrical & Electronics and Mechanical Engineering are accredited by the National Board of Accreditation (NBA).
- An ISO 9001:2008 certified institution
- Accredited by Institution of Engineers (India) and TCS

Students' choice

- VAS is the most sought after self-financing engineering college under Calicut University and one of the top three best sought after colleges among the self financing engineering colleges in the state as attested by the choice of students for admissions. We enjoy a RAND ranking within the first 10% of all engineering colleges in Kerala

Placement offers

- Excellent placements in leading companies like TCS, Infosys, Cognizant Technologies, L&T, Accenture, BARC, Assyst International, IBM, Wipro, South Indian Bank, Federal Bank, Poornam Infovision and reputed establishments even abroad.

Research Centre

- APJ Abdul Kalam Technological University has recognized VAS as a Research centre

Scholarships and Endowments

- Vidya International Charitable Trust (VICT) awards Scholarships for more than 25% students, in addition to several endowments. The Trust spends over Two Crore Rupees every year on Scholarships.

Infosys Award

- VAS is recognized as an "Advanced Partner Institute" under the Infosys Campus Connect Programme for the year 2015

University Toppers

Our Outstanding Alumni

Our graduates are spread across the globe developing successful careers built on their VAS experience. VAS Alumni are working in L&T, HAL, Schneider, Philips etc. and have their higher degrees from NITs, IITs several foreign universities including PhD's from abroad. Our Middle East alumni association has over 500 members and is one of the largest alumni chapters of VAS.

awarded by Vidya
International Charitable Trust (VICT)
every year**

Sl	Name of Scholarship	Course	Nos
1	Vidya Merit - cum - means Full Fee Scholarships for Socially and Economically backward students	B.Tech. Lateral Entry MCA	30 3 3
2	Vidya Excellence Full Fee Scholarships for Entrance toppers	B.Tech.	5
3	Vidya Competence 90% Fee Scholarships for Entrance achievers	B.Tech.	5
4	VIDYA - AICTE Full Fee Waiver Scholarships for Girls, Handicapped and Weaker Sections	B.Tech.	30
5	Vidya Merit - cum - means Half Fee Scholarships	B.Tech. MCA Lateral Entry	20 2 3
6	Vidya Merit - cum - Means Full Fee Arts & Sports Scholarships	B.Tech.	1
7	Vidya Merit - cum - Means Half Fee Arts & Sports Scholarships	B.Tech.	1
8	Vidya PTA Merit - cum - Means Scholarships by PTA	B.Tech.	2
9	Vidya Alumni Merit - cum - Means Scholarships by VIDYA ALUMNI Association	B.Tech.	2
10	Vidya Principal's Scholarship for needy students	B.Tech.	2
11	Vidya Full Fee Scholarship for wards of staff	B.Tech.	1
12	Vidya Half Fee Scholarship for wards of staff	B.Tech.	1

Besides the above, College has instituted several endowments of cash awards for every semester for the first three class toppers. Eligibility criteria detailed in college website www.vidyaacademy.ac.in

→ Courses Offered

B.Tech.

	Intake	Lateral Entry	Fee Waiver
Civil Engineering	120	12	6
Computer Science & Engineering	120	12	6
Electronics & Communication Engineering	120	12	6
Electrical & Electronics Engineering	120*	6	3
Mechanical Engineering	120	12	6
Production Engineering	60	6	3

* Approval awaited for 60 seats

M.Tech.

	Intake
Computer Science & Engineering	30
Power Electronics	30
Structural Engineering	24
Embedded Systems	24

MCA

	Intake
Master of Computer Applications (MCA)	60

→ Admission Procedure

- As per the guidelines of the Government of Kerala and APJ Abdul Kalam Technological University and University of Calicut.
- FEES:** As per Government norms. For details of admission procedure, fee structure & other information about college – Please visit our web site www.vidyaacademy.ac.in

How to apply

- Application for B.Tech. / B.Tech-LET / M.Tech. / MCA is available online in the college website
- Application forms can be collected either from college office and our city office at Sun Tower, East Fort, Trichur, Tel: 0487-2442571/72

ADMISSION HELPLINES

B.Tech. : 8281 79 5555

M.Tech. : 8281 59 5555

MCA : 8281 39 5555

Head of the Department
Prof. K. V. Leela, M.Tech., FIE, MISTE
Professor

B.Tech. in Civil Engineering (CE)

NBA Accredited

The department of Civil Engineering was established in 2006. Civil Engineering is a profession that applies the basic principles of science in conjunction with mathematical and computational tools, to solve problems associated with developing and sustaining civilized life.

Major Laboratories

- Surveying Laboratory
- Material Testing Laboratory
- Geotechnical & Transportation Engineering Laboratory
- Environmental Engineering Laboratory
- CAD Laboratory
- PG Structural Engineering Lab

B.Tech. in Electronics and Communication Engineering (ECE)

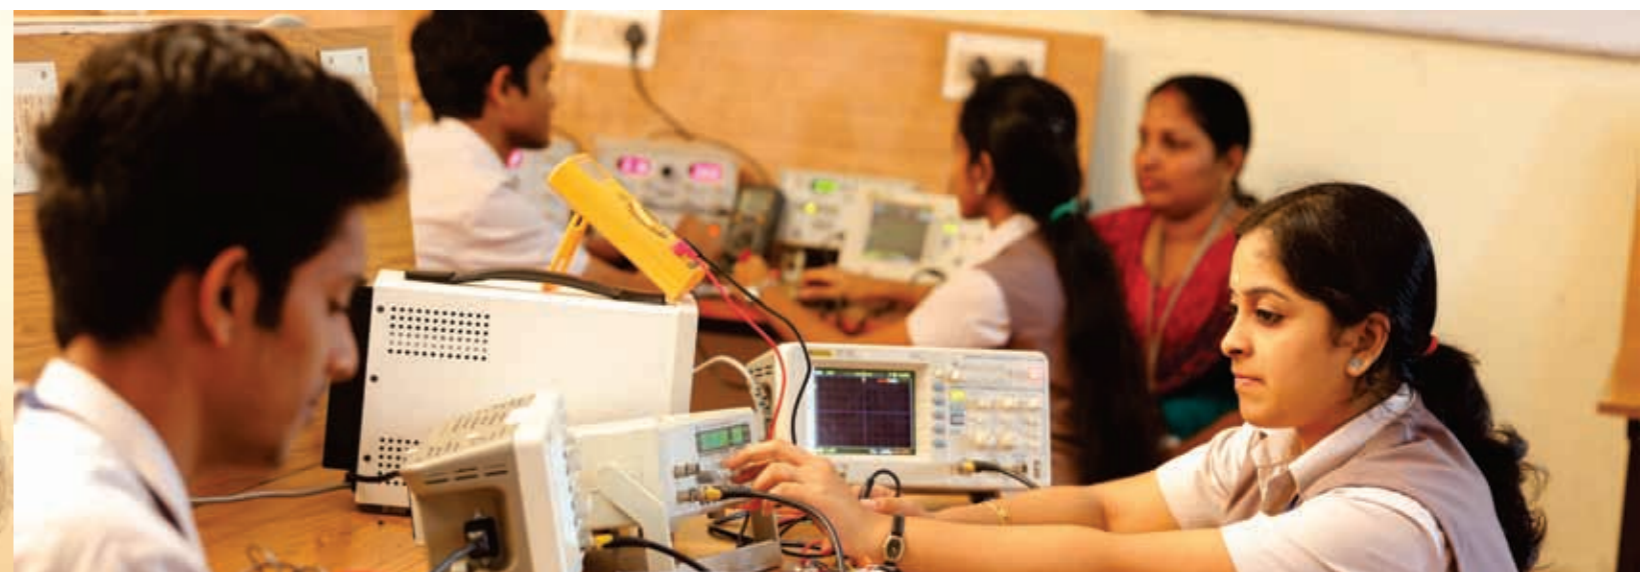

The department of Electronics and Communication Engineering was established in 2003. The course provides strong fundamentals in basic sciences and engineering subjects, with greater emphasis on evolving technologies like VLSI and Embedded Systems, Analog and Digital Signal Processing, Microwave and Mobile Communications etc.

Highlights of Department activities

- Associated with professional societies like IE(I), ISTE and IETE for conducting National Conference, Seminars & Workshops.
- Conducts National Conference (NCOCN), Interdisciplinary Workshops & Training sessions, in which the academics, research scholars, scientists and experts in industry share their knowledge, achievements, experience and perceptions.

Head of the Department
Dr. S. Swapna Kumar, M.Tech., Ph.D., FIE, MISTE
Professor

Highlights of Department activities

- The department conducts National Conference (REACT), and technical events in collaboration with industries and research institutions.
- The department takes up all types of consultancy services in building construction, water supply, waste water treatment, solid waste management, watershed management, etc.
- Associated with professional societies like IE(I), ISTE and Kerala State Council for Science, Technology and Environment – Women Scientist Cell.
- The department offers training programmes on softwares like AUTOCAD, Rivet, STADD, CostX etc

Achievements

- **Ms. Nitha A. N.** and **Ms. Reeba Job** our first batch students secured First and Fourth rank respectively in Calicut University B.Tech. Examination in the year 2010.
- **Mr. Gokul Ravindran** and **Ms. Vandana V.** secured Second and Fifth rank respectively in Calicut University B.Tech. Examination in the year 2012.
- **Ms. Devika K. N.** secured Third rank in Calicut University B.Tech. Examination in the year 2014.

Major Laboratories

- Analog Electronics
- Advanced Communication Lab
- Digital & Communication Lab
- Microprocessor & Microcontroller Lab
- Project Lab
- VLSI Lab
- PG Lab

Labs are equipped with latest versions of Xilinx software, Spartan FPGA kits, orCAD, MATLAB, DSP controllers, Digital Storage Oscilloscope, etc.

Achievements

- **Ms. Anjitha V.** has secured Third rank in Calicut University in the year 2011.
- **Ms. Aparna M.P.** has secured Fourth rank in Calicut University in the year 2014.
- **Mr. Sharoukh Akbar** of S7 ECE has been selected as Champion Ambassador of QuEST Global as part of a National Event – Ingenium 2015.
- **Ms. Amritha V.** and **Mr. Jishnu K. Unnikrishnan** have secured First Prize in paper presentation competition held at NIT Calicut.

B.Tech in Computer Science and Engineering (CSE)

The department of Computer Science and Engineering was established in 2003 and provides best technological and learning environment to create full-fledged engineers in CSE who will support society by actively participating in the advancement of technology. The course has a comprehensive curriculum on topics related to all aspects of Computer Hardware and Software with an emphasis on practical learning.

Highlights of Department activities

- Institutional membership of Computer Society of India (CSI), Indian Society for Technical Education (ISTE) and Institution of Engineers (IE) are tapped to provide opportunities for the students
- Alliance partners for Infosys campus connect programme, Wipro Mission 10x programme, IBM SEED programme for conducting technical & soft skill development programme
- Established IGNOU-ISTE Programme Centre (IIPC) to run job oriented courses for students. Currently "JAVA" course is offered.

Head of the Department
Col. M. P. Induchudan (Retd)
ME, FIETE, FIE(I), MCSI
Professor

Major Laboratories

- Programming Lab
- Hardware Lab
- Advanced Computer Lab
- Systems Lab
- Project Lab
- PG Lab

Achievements

- Ms. Keerthy Jayadevan has secured second rank in Calicut University in 2014.
- Ms. Nimmy Krishnan has secured fifth rank in Calicut University in 2014.
- Ms. Badhriya V. Abdhul Rahman has secured third rank in Calicut University in 2008.

VAST signed MoU with ICT Academy of Kerala for conducting training programmes for students and faculty.

B.Tech in Electrical & Electronics Engineering (EEE)

NBA Accredited

The department offers the best of engineering knowledge and experiential learning in its four-year B.Tech. programme in Electrical & Electronics Engineering since 2003. The major thrust in this course is related to all aspects of engineering and control of Generation, Transmission, Distribution and Utilization of Electrical Energy.

Highlights of Department activities

The department has conducted three highly acclaimed International Conferences "EPSCICON" graced by Padmabhooshan Prof. Thomas Kailath, Yutaka Yomomoto, Kok Lay Teo, Anders Lindquist, Eric Chu, Biswa Nath Datta, Mark Liberzon, Galkowski, James Bunch, Delfim Torres, etc. from more than 14 countries. Also, more than 16 interdisciplinary workshops were conducted by experts from premium institutions and industry as a department initiative.

Head of the Department
Dr. John Wiselin M. C., M.E, Ph.D.
Professor

Major Laboratories

- Electrical Machines Lab
- Basic Electrical Engineering Lab
- Power Electronics Lab
- Analog/Digital Electronics lab
- Electrical Measurements/Instrumentation Lab
- Advanced Electrical Engineering Lab
- Research Lab

Achievements

- Ms. Vidya B., secured Third rank in Calicut University in 2007.
- Ms. Sreelakshmy Suresh, secured Sixth rank in Calicut University in 2013.

MoU signed between VAST and COMMAND tech CAD & IT PVT. LTD for students to get intense practical exposure in Revit, Electrical Design, Electrical BIM Modelling

B.Tech in Production Engineering (PE)

The department was established in 2006. Production Engineering is considered as one of the specialization of Mechanical Engineering. The course has a comprehensive curriculum on topics related to all aspects of manufacturing viz. Casting and joining processes, Metrology, Jigs and Fixtures, Computer Integrated manufacturing, CAD/CAM, Operations research, Mechanics of solids, Tool engineering and design, Engineering drawing, Metallurgy and material science, Machine tool technology, Welding, Machining of materials, Metal forming, Instrumentation and control, etc. The course focuses on latest Manufacturing technologies and Management principles.

Major Laboratories

- Production Engineering Lab I & II
- Metrology Lab
- Instrumentation Lab
- Advance Manufacturing Science Lab
- Industrial Engineering Lab

Head of the Department
Prof. T. K. Rajendran, M.Sc. Engg. (NIT, Calicut)
FIE, Chartered Engineer IE(I)
Professor

Our Production Engineering students have been **consistent University Toppers** for several years

■ Suneesh E (2010)	- Second Rank
■ Jerish P. J (2011)	- First Rank
■ Patrick Liton P. J (2010)	- Third Rank
■ Ambreesh P. (2011)	- Fourth Rank
■ Manasa Manohar (2013)	- First Rank
■ Girish T, Nitish H. (2013)	- Second Rank
■ Shobhitha Venugopal (2013)	- Third Rank
■ Ashid Sha Jaleel (2014)	- First Rank

B.Tech in Mechanical Engineering (ME)

NBA Accredited

The B. Tech Mechanical Engineering course was established in 2003 and accredited by NBA, is one of the most preferred undergraduate course by the engineering aspirants. With the right blend of theory and practice in basic courses such as Mechanics, Design of machines, Computer Aided Design and Manufacturing, Industrial engineering, Finite Element Analysis, Thermal Engineering, etc. this course has well laid itself as a prominent option for the student community.

Major Laboratories

- Cad/Cam & Robotics Lab
- Thermal Lab
- Heat Transfer Lab
- Fluid Mechanics and Machinery Lab
- Production Engineering Lab
- Instrumentation Lab
- Research Lab

Head of the Department
Prof. Soolapani Varrier,
M.Tech.(IIT-M), FIE, MISTE
Professor

Highlights of Department activities

- Department conducts National Conference (NAVISSANCE), Inter disciplinary Workshops and Training sessions, in which the academicians, research scholars, scientist and experts in industry share their knowledge, achievements, experience and perceptions.

Achievements

- The department successfully completed research project for which it received a grant of **8 Lakhs** funded by KSCSTE.
- **Mr. Prabath. K.**, a student of 2007 pass-out batch had secured fourth rank in Calicut University.

Mr. Ali Al Suwaidi (Founder Partner, MEFMA) interacts with students during MoU signing Ceremony for PG Course in Facility Management.

Dr. V. N. Krishnachandran
M.Sc., MISTE, Ph.D.
HoD & Vice-Principal

Highlights of Department activities

- **Workshops in the following and many other areas** : Web Hosting, LaTeX, Malayalam Computing, Google Sites
- **Competitive ambience**: The department provides several opportunities to acquire knowledge and to develop skills to excel in life and work.
- **E-SPIDERZ** : A Web Page Designing Contest being organized from 2009 onwards.
- **Coding Contest** : All Kerala C Coding Contest being organized annually since 2009.
- **MindsparkZ** : A mini serial quiz in six episodes.
- **CHIP-to-NET** : A series of Two-day Workshops for the students of neighboring Arts and Science Colleges

Master of Computer Applications (MCA)

Visit Department website: <http://mca.vidyaacademy.ac.in>

The department has already acquired the status of being one of the leading Computer Application departments under Calicut University. Through a host of curricular, co-curricular and extra-curricular activities, the department strives to provide a unique learning experience to each of its students. The department arranges facilities for getting trained as a true leader to become - a value adding, committed and dedicated professional.

Placements

More than 50% of our students of 2015 batch are placed in the following companies.

- TCS
- Wipro Technologies
- Assyst International
- Accenture
- UST Global
- IBM
- CTS
- Syntel
- Infosys
- Image Info Systems

Achievements

- **First Rank in Calicut University in four consecutive years (2011-2014).**

- Ms. Shajna Musthafa (2014) - 1st Rank
 - Ms. Tainu Ousey (2014) - 2nd Rank
 - Ms. Shahana M. A. (2013) - 1st Rank
 - Ms. Ann Mary John (2012) - 1st Rank
 - Ms. Veena M. V. (2011) - 1st Rank
 - Ms. Uma Narayanan D. (2011) - 3rd Rank
- an has secured Third rank in Calicut University in 2008.

M.Tech. in Structural Engineering

M.Tech. course in Structural engineering covers numerical methods in Structural engineering, Advanced theory and design of concrete structures, structural dynamics, finite element Analysis, Analysis & design of earthquake resistant structures, Advanced design of metal structures and design of pre-stressed concrete structures.

M.Tech. in Computer Science and Engineering

M.Tech. course is intended to train the students in core courses and specialized topics in the emerging technology fronts. The course equips the graduates with the ability to analyze and apply fundamental principles of computing and mathematics as appropriate to the discipline of computer science and engineering.

M.Tech. in Embedded Systems

The ECE department offers two years M.Tech. course in Embedded Systems. The objective of the course is to mould graduate electronics engineers with the specialization in Embedded System. The course covers a range of topics that makes the students suitable for embedded industrial needs.

The topics taught under this course are design of embedded systems, real-time systems, microcontroller based system design, embedded Networking, VLSI design, real time operating systems, embedded communication and software design, wireless and mobile communication and advanced embedded systems etc.

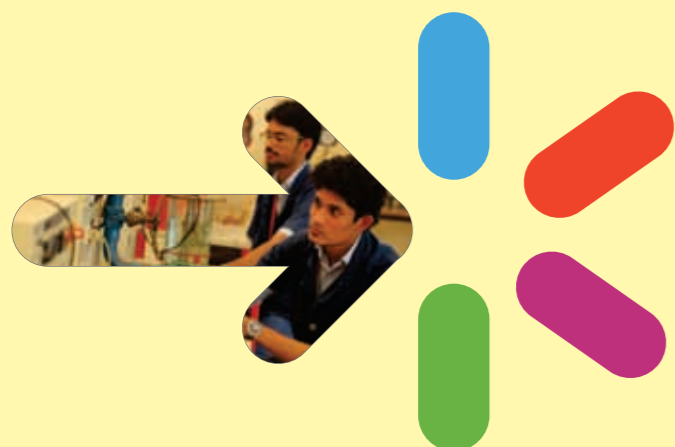

M.Tech in Power Electronics

The M.Tech. course imparts knowledge in the field of Power Electronics and its application to Electrical Machines, Drives, Industrial Equipment and Power Systems. It also gives hands-on experience through practical and project courses.

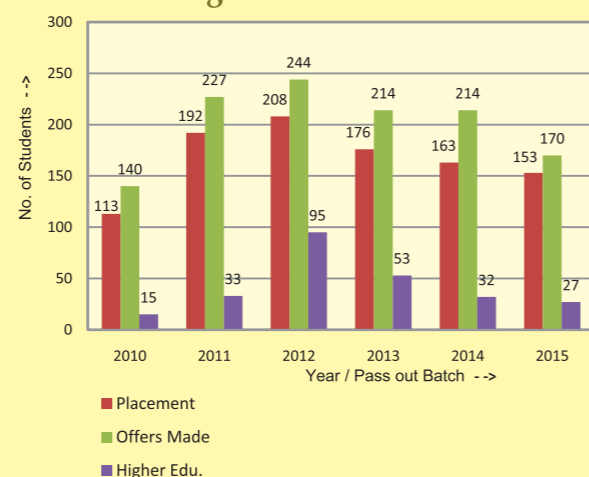

Power Electronics is an emerging area which is concerned with the application of fast developing Electronics into Electrical Machines and Power Systems. Students do meaningful projects under the highly acclaimed tutelage of Dr. T. N. P. Nambiar.

Training and Placement Department

Placement Status including Alumni Data

TCS placed students from the 2014 pass out batch.

Mr. Paul J. Chakola, B.Sc., MCA
Training & Placement Head

Previous Experience: Over 15 years of software industry experience and worked for some of the leading companies like ICICI and 3i infotech and as Project Manager with Mastek Limited, Mumbai

Infrastructure & Facilities

Campus

- Over 30 acres of aesthetically landscaped lush green campus providing a serene ambience. **Total Built-up area of 4.5 lacs sq.ft**
- Spacious fully **Air Conditioned auditorium** with excellent acoustics having a seating capacity of over 1500. Bank with ATM, Departmental stores, Cafeteria. A **food court** built to the highest standards of hygiene
- Transportation facility** for staff and students: 28 Buses, 20 routes at 45kms radius
- Separate in-campus hostels** are provided for men and women with spacious, well-furnished rooms, hygienic mess with medical facility Indoor games & sports, internet, WiFi, T.V & reading room, telephone, Gym, and round the clock security are provided.
- Maximum security within and outside the campus, **students insurance and Healthcare facility**
- 24 hours power supply** plus 400 kVA & 315 kVA HT transformer, Generator-I, II - 380 kVA, 125 kVA, 15 kW Solar power Generation
- Biogas plants:** 5 Nos. of 41 m³, RO treated oxidized water plant-5.11kL, Filtration 25kL/hr

Class Rooms and Laboratories

- 61 class rooms equipped with audio-visual facilities
- 52 laboratories with state-of-the-art equipments
- Dedicated and qualified laboratory technicians and staff
- Specialized laboratories established in several frontier thrust areas of Research and Development
- Laboratories certified to carry out Testing & Calibration
- Language laboratory to improve the english language usage among students

Library

- Excellent Library facilities with a carpet area of 1764m² catering to needs of curriculum, research and general reading. Access to over 30000 books, 100 periodicals and over 200 e-journals.
- 60 systems with connectivity for accessing electronic resources

Computing & Virtual Facilities

- Over 973 terminals with latest computers.** Robust Networking solution and Wi Fi campus with CISCO devices, 4 IBM servers, 10 HP workstations
- Highly sophisticated surveillance and access control system. High end biometric system/Online Attendance
- Dedicated and secured Data centre with powerful rack Servers
- Internet facility with dedicated leased lines
- High end firewall security featured network. Comprehensive multi campus ERP system.

Vidya Student Support Cell (VSSC)

Special attention is provided on giving extra care and support to each student throughout the programme with individualized academic planning and mentoring through Vidya Students Support Cell (VSSC). Full time professional counselor and Faculty mentors for every 20 students.

Sameeksha

The trainers club of Vidya known as 'Sameeksha', provides a wide range of value-added training programmes to supplement and enhance the overall educational experience of students.

Counseling

A trained counselor is assigned for each student to give individual attention and counseling to students who face stressful situations.

Skill Development Programmes by SAMEEKSHA

■ VAS Students represented Calicut University Fencing (M & W), Judo (M), Tennis (W) and Handball (M) team in the All India Inter University Championships.

Our Talents at Art Fest

At VAS strong emphasis is laid on academic, co-curricular & extra-curricular activities to ensure all-round development of the students.

Our Students displaying their physical wellness through Yoga

Our Graduation Ceremony

Indian Navy officials interacting with our students

Ms. Swathika. K. S was adjudged ' Kalathilakam' in the D Zone arts festival of Calicut university.

Professional societies

Scientific luminaries hosted by VAS over the years...

The “VAS” Management

Vidya International Charitable Trust (VICT) is a non-profit charitable trust formed by a group of philanthropic non-resident Indians (NRI) from all over the world. The Trust was constituted with a vision to provide state-of-the-art higher education and training to our younger generation who will be eagerly sought after by leading business houses world wide.

VICT in its mission to propel higher education in backward regions of Kerala, is now setting up similar institutions in various parts of state following the good practices and success of VAS.

The Board of Trustees is responsible for the overall administration of the Trust and its activities. An Executive Committee of 11 members, manages the educational institutions of the Trust.

BOARD OF MANAGEMENT

VIDYA INTERNATIONAL CHARITABLE TRUST (VICT)

Executive Committee

Er. P. K. Asokan	Chairman
Mr. Samson Checkove	Vice Chairman
